

proj\_main\_loop

```
graph LR; A[proj_main_loop] --> B[switch_to_graphic_mode]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is white with a black border and contains the text 'proj\_main\_loop'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is gray with a black border and contains the text 'switch\_to\_graphic\_mode'.

switch\_to\_graphic\_mode
