

proj\_main\_loop

```
graph LR; A[proj_main_loop] --> B[game_loop]; B --> C[handle_int_mouse_click];
```

A flowchart illustrating a sequence of three functions. The first function, 'proj\_main\_loop', is shown in a white box with a black border. A blue arrow points from its right side to the second function, 'game\_loop', which is also in a white box with a black border. Another blue arrow points from the right side of 'game\_loop' to the third function, 'handle\_int\_mouse\_click', which is in a gray box with a black border. The boxes are arranged horizontally from left to right.
