

mouse_interrupt_handler

```
graph LR; A[mouse_interrupt_handler] --> B[get_output_KBC]; B --> C[util_sys_inb];
```

A flowchart illustrating a sequence of three components. The first component, 'mouse_interrupt_handler', is enclosed in a gray rectangular box. A blue arrow points from its right side to the second component, 'get_output_KBC', which is in a white rectangular box with a black border. Another blue arrow points from the right side of 'get_output_KBC' to the third component, 'util_sys_inb', also in a white rectangular box with a black border. The components are arranged horizontally from left to right.
